

A stylized, light-colored human figure logo is positioned on the left side of the slide. The figure has a circular head and two large, rounded arms extending downwards. A bright blue light source is located at the center of the figure's chest, creating a lens flare effect that radiates outwards. The background is dark blue with abstract, curved shapes in lighter shades of blue and grey.

# STUDENT ADVISORY GROUP

Douglas County School District

# PURPOSE OF SAG

- 
- To provide student voice to the Board of Education and Superintendent's Cabinet
    - Update the Board and Cabinet regularly on student voice and concerns
    - Provide specific and relevant feedback
    - Advance communication between District staff, the Board of Education, and students

# DCSD INITIATIVES

- Educational Excellence
- Stakeholder Satisfaction
- Positive Culture and Climate

# EDUCATIONAL EXCELLENCE

- SAG has focused on reforming the World Class Outcomes
  - Connecting WCO's to more students in the classroom
  - Applying the current WCO's more effectively in the classroom
  - Educating students on the WCO's and its connection to learning and future careers

# STUDENT VOICE IN TEACHER EVALUATIONS

- Students would like to create an anonymous feedback survey for teachers
- The survey would be based on random sampling
- The survey would not be part of a teacher's evaluation
  - It is purely for informative purposes

# DOUGLAS COUNTY UNFUNDED NEEDS

- Growth and Overpopulation Needs
  - F Pod at Castle View
  - Building New Schools
- Repairing and Expanding Parking Lots
- Funding Programming within Schools
- Paying Teachers Competitively to Avoid Turnover

# CULTURE AND CLIMATE

- Students want to be directly involved in their education
- Students want relevant and direct communication with the school district
- Students want a forum to be able to voice ideas and concerns
